From the President

John Calhoun

Finally. The weather is coming around and activities and special events are kicking into high gear. So far, the USPSA Sectional event was successfully held in May with many compliments on our event and the venue. This is just the warm-up for the big Kahuna event in August, the USPSA Area 5 meet which will involve several hundred competitors from the US and many other countries. We will need help and be sure to offer to contribute whatever time you may have to the event as it is a great money maker and the club offsets a lot of our operating cost with these big events. It's a way to keep our dues in line.

Congratulations to Lisa and Scott Poet who successfully held the SASP (Scholastic Action Shooting Program) Regional match in May. Again, lots of compliments and competitors from five surrounding states made BSC their weekend home for some fantastic competition and camaraderie. These kids are quick! And safe! And responsible. Our schools would be better off if students were taught the joys of safe fire-arm handling and use.

Hunter Safety will again be offered in the two-day full class format for the first time in a couple of years. The class is one of the best ways to promote our commitment to the community and offer new hunters the certificates needed to become lifelong outdoor enthusiasts. Again, we need to get volunteers lined up for the various disciplines that we teach – Tree stand safety, compass orientation, safe gun handling in the field, archery, shotgun and rifle certification. Get out to the club on August 20th and 21st of August and volunteer!

Shotgun special events are occurring now that summer is here and the 3MCA shoot on June 20th was a resounding success! This is the third year for the 3MCA and they've booked for next year. Columbia Central High School trap team took first place in their conference and participated in the Michigan State HS Trap competition in Mason on June 18th and did well. Keep up the good work all schools that we support!

MEET & GREET

Our first ever Membership Meet & Greet dinner was held on Friday April 22nd from 5-7p.m. We had almost 70 in attendance, it was a great turnout. The next dinner is tentatively planed for September 30th, mark your calendars.

A wonderful meal was provided by Barb Franklin.

There was a Turkey shoot with First Place going to Denver Nichols

SASP

May 20-22 BSC hosted the 3rd Scholastic Action Shooting Program Great Lakes Regional Match. The match drew 11 youth shooting teams from 5 states, including Michigan, Ohio, Indiana, Wisconsin and Pennsylvania. 294 athlete entries competed in: Rimfire Pistol, Centerfire Pistol, Rimfire Pistol Optic, Centerfire Pistol Optic, Rimfire Rifle Iron, Rimfire Rifle Optic, Pistol Caliber Carbine, and Centerfire 1911. Athletes ranged in age from 8 to 18.

SASP is a nationwide youth shooting program where student athletes compete in "action" (speed) shooting in 4-person squads. These young people are amazingly quick, polite, and ALWAYS SAFE! BSC hosted the 1st Great Lakes Regional in 2019 with 110 entries, then due to Covid-19 the 2020 GLR was cancelled. The match returned in 2021 with 201 entries, and grew again this year with 294.

The match is growing in popularity, due in large part to everyone being impressed by our beautiful club and our awesome volunteer crew. Several of this year's teams have already let Michigan's SASP State Advisors, Lisa and Scott Poet, know that they plan to be back in 2023.

Thank you to the BSC Board of Directors, along with several BSC members that worked to make sure the match was a success. The following members worked extra hard: Arnold and Cheryl Trombley, Mick Holmes, Floyd Pratt, Steve Low, and Todd Moore. Also thank you to the Pistol Prodigies Youth Pistol Team of Manchester, for organizing the event. Even though they were busy organizing and working the match, the Prodigies earned 14 medals: two 1st place, five 2nd place, six 3rd place squad medals, and one 3rd place High Over All individual medal. It was a great shoot for everyone involved!

Steve Low

The Columbia Central Trap team took 1st place in the conference for the 2022 spring season.

We are very proud of the team they competed very hard all season and were in 1st place the first 3 weeks before falling into 2nd place. It came down to the final week of competition we re-took the 1st place.

The weekend of the June 17th we took 26 of the 32 team members to the State shoot in Mason. We finished 22nd out of 61 teams. The kids performed very well and we are looking forward to Nationals the weekend of July 9th. We have two teams & 13 individuals competing at the National level.
